Biodata :
Country : Pakistan
Address : Tahir Colony, Vehari Road, Old Hasilpur District Bahawalpur
Languages: English, Urdu

QUALIFICATION

BSE. (Hons.) Software Engineering 2023-2027
COMSATS University Islamabad Vehari Campus, Pakistan
F.Sc Pre-Medical 2021-2023
Superior College Hasilpur, Pakistan
Matriculation 2019-2021
Islamia English Model High School Hasilpur , Pakistan

WORK EXPERIENCE

Desktop Application Development, Pharmacy Management System
- Developed a desktop-based **Pharmacy Management System** during the **3rd semester**.
- Implemented core modules for medicine records, stock management, and billing.
- Used **C#** for application logic and **SQL Server** for backend database management.
- Gained hands-on experience in database design, CRUD operations, and system workflow optimization.

Mobile Application Development Project
- Built a **mobile application** project during the **5th semester**.
- Focused on application functionality, user interaction, and performance optimization.
- Enhanced skills in mobile app structure and logical flow.

Mini Projects (Multiple Applications)
- Developed **5–6 mini applications**, including:
  - **BMI Calculator App** for health measurement.
  - **CGPA Calculator App** for academic performance calculation.
  - **Dice Control App** featuring random dice rolls and number variations.
  - **POS (Point of Sale) System** for basic sales and transaction management.
- These projects improved problem-solving skills, logic building, and UI handling.

Web Development,Cosmetics E-commerce Website
- Created a **Cosmetics E-commerce Website** with a complete backend using **Laravel**.
- Implemented product listing, category management, and basic user interaction features.
- Gained practical experience in **PHP Laravel framework**, backend development, and database integration.

SKILLS :

- Web Development Front End
- Mobile App Development (Flutter)
- Desktop App Development (Flutter)

SOFTWARE EXPERTISE :

- Microsoft Office
- Visual Studio
- Android Studio
- Pycharm

SEMINARS/PARTICIPATION/TRAINING:

- Competition Session on **"Techno X"**
- Seminar on **"Flood Awareness"**

EVENT ORGANIZER/TRAINER :

- Organize a **" One Day Orientation Session Fall 2025"**
- Organize a **"Sports Gala 2025"**
- Session on **"Character Building of The Youth"**
